

Teaching Students with Dyslexia in the Classroom

Two full days 8:30 am to 2:30 pm

Townsville 8 and 9 March 2012: Von Stieglitz meeting room, Thuringowa Central Library, 86 Thuringowa Drive, Thuringowa 4817

Brisbane 15 and 22 March 2012:
Top Floor, Queen Alexandra Home, Coorparoo.

Cost: \$220 for the two days.

A practical workshop what will enable the classroom teacher to use appropriate teaching techniques and resources for students with dyslexia.

This course will cover:

1. What dyslexia is
2. Identification or diagnosis of dyslexia
3. Multisensory teaching
4. Phonological awareness and phonics and spelling
5. Auditory processing
6. Visual perceptual issues and scotopic sensitivity
7. Working memory issues
8. Processing issues
9. Co-occurring conditions such as ADHD, language delays, dysgraphia, etc
10. Appropriate teaching techniques
11. Reading and comprehension
12. Writing
13. Spelling
14. How maths can be affected
15. Appropriate resources and software
16. Using assistive technology
17. Books to read
18. Useful websites and associations

Morning tea is provided at both venues.

Lunch is available from nearby restaurants – in Coorparoo.
